

**Job Title:** Arena Technician  
**Department:** Operations  
**Reports To:** Manager of Facility Operations  
**Job Type:** Full-time, Salary, Competitive Benefits Package

### **Summary**

ASM Global, the leader in privately managed public assembly facilities, is seeking an Arena Technician. Responsible for the maintenance and operation of all aspects of Field of Play and mechanical systems for Avenir Centre. Reporting to the Manager of operations the Arena Technician has responsibility for all Field of Play components including but not limited to Ice, Dasher Boards, Acrylic, Spectator Netting, Goal Frames, Ice Edgers, and Zambonis and mechanical systems including but not limited to HVAC and refrigeration.

### **Essential Duties and Responsibilities**

Include the following. Other duties may be assigned.

- Install and maintain the ice surface to high standards according to Avenir Centre plan.
- Record and maintain accurate readings and logbooks.
- Operate Ice resurfacers for hockey and ice related events.
- Maintain Refrigeration, HVAC and other mechanical systems.
- Maintain all “Field of Play” components.
- Plan and execute all conversion aspects for live entertainment.
- Maintain Ice Resurfacers and Edgers.
- Operate equipment such as forklifts, bobcats, floor scrubbers, etc.
- Handle facility janitorial where applicable.

### **Qualifications**

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

### **Education and/or Experience**

- High School or Technical School diploma or combination of education and experience that provides the required knowledge, skills, and abilities.
- Valid Province of New Brunswick license.
- Mechanical background and or experience is considered an asset.
- Demonstrated knowledge of sports facility operation is required.
- Ability to read and interpret mechanical and electrical blueprints and schematics.
- Experience with operation and maintenance of ice resurfacing machines is preferred.
- Must be available for shift work, weekends, and holidays.

### **Skills and Abilities**

- Knowledgeable in all regulations such as building codes, fire and health department regulations, OH&S, etc.

- Excellent interpersonal, written, and verbal communication skills: highly organized, results oriented with the ability to be flexible, and to work well under pressure, strong level of initiative required.
- Functional knowledge of facility maintenance including but not limited to ice maintenance/operation, electrical systems, centrifugal chillers, HVAC systems, steam, ammonia refrigeration, plumbing systems and equipment control systems.
- Strong technical abilities with Microsoft programs and familiarization with computerized maintenance systems an asset.
- Leads by example by displaying a high standard of performance with the ability to communicate these expectations to the team to achieve above expectation results.
- High level of critical and logical thinking, analysis and/or reasoning to identify underlying principles, reasons, and facts.
- Ability to do heavy lifting and ability to work at heights.
- Demonstrated familiarity with tools and maintenance equipment.
- Ability to develop good rapport with management, tenants, fellow employees, and the general public.
- Ability to prioritize and to handle multiple projects simultaneously, working under tight deadlines.
- Ability to work with limited supervision and as a team member.

### **Computer Skills**

To perform this job successfully, an individual should have basic computer skills.

### **Physical Demands**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Specific physical demands for this job include, but not limited to lifting, standing, walking, pushing, pulling, sitting, working in cold arena, bending, kneeling, reaching and squatting.

### **Other Requirements**

Due to the nature of our business candidates must be able to work irregular hours as dictated by the event schedule, including nights, weekends and holidays. Must have the ability to modify their schedule as the event dictates.

**PLEASE NOTE:** All successful candidates will be required to successfully complete a background check, which may include criminal, credit, credential and reference check.
